

Dear Parents/Guardians,

We hope you are safe and well during this difficult time. We have been very mindful of the Year 11 students who have applied to our Sixth Form and wanted to make contact with you to say that we are very much looking forward to meeting them next Academic year. In the meantime, the teaching staff at Maplesden Sixth Form have compiled information that will enable students to gain an insight into the courses that they have applied for. This material will form a foundation of knowledge for each course and will be very beneficial as students start the next chapter of their education.

We are mindful that this is likely to be a very unsettling time for all Year 11 students, but it does provide students with the opportunity to get prepared for their future courses, so we hope this will be of use to them. With that in mind, we would be very grateful if you could pass the following information onto your son/daughter.

Please find attached pre-reading material for Sixth Form courses starting in September 2020. Please note, you will only need to complete the pre-reading for your chosen courses of interest.

All of the content covered in the pre-reading will be covered by your teachers at a later date, so I would advise that if you come across something that you do not understand, you make a note of it and discuss it with them when you start lessons in the classroom. The pre-reading will also give you a clearer idea on what to expect from your chosen courses.

Over the years we have seen that the Sixth Form students who are proactive, who stretch themselves and stay one step ahead are the ones who truly reach their potential and the very top grades. This is a fantastic opportunity for students to make the very best start to Sixth Form.

We will be in touch in the near future with more information about the start of Sixth Form, entry requirements and the arrangements for GCSE results day.

In the meantime, stay safe and well and we look forward to welcoming you into the Sixth Form.

Kind regards,

Mr Wade
Head of Year 12
