

Sixth Form Guide

Information for Students and Parents

This guide is designed to give you an overview of what to expect as a Sixth Form student or parent. You will find that Sixth Form students are given more freedom, but there are a few rules and procedures that are essential in order for everyone's time at Maplesden Sixth Form to be a success. We ask that you familiarise yourself with this guide and respect the procedures outlined.

Please note, while the guide outlines normal practice, we have had to adapt our ways of working in light of COVID-19 challenges with our current cohort

Attendance and Punctuality

Sixth Form students must attend **ALL** timetabled lessons on time. The subject teachers will record attendance to every lesson using the school's electronic system and any absence will be reported directly to the Sixth Form Academic Manager and discussed with Heads of Departments, Sixth Form Tutors and/or the Head of Year. There is a very clear link between high levels of attendance and high levels of attainment. Sixth Form students should be in school by 08:30am on Mondays, Tuesdays and Thursdays. On Wednesdays and Fridays lessons begin at 9am.

Students in the Sixth Form are given much more freedom and independence than in lower school. However, it is essential all students **maintain a lesson attendance of over 90%** in order to enjoy this additional freedom.

Any student who allows their lesson attendance to fall below 90% may be allocated Supervised Study sessions. Students must also attend timetabled form sessions and assemblies on Tuesdays and Thursdays between 8:30am and 9am.

It is ultimately each student's responsibility to ensure they maintain good levels of attendance to their lessons and their place at Maplesden Sixth Form will be at risk if they fail to do this.

Failure to maintain an attendance of 90% or above in lessons will result in the following:

1. Additional form times from 8.30am on a Wednesday and Friday with their Tutor—this will be for silent, monitored study.
2. Additional form times from 8.30am on Wednesday and Friday with the Sixth Form Student Manager and/or Head of Year.
3. A Head of Year contract to monitor attendance, punctuality and academic progress.
4. A Final Contract with the Head of Sixth Form and a meeting with parents to discuss place in Sixth Form.

ID Badges

All students will be issued with ID cards and lanyards. These must be worn and visible at all times during the school day. The ID badges are used to sign students in and out of school by scanning their cards at designated points in the Sixth Form area and access the school photocopiers/printers. These cards are also used to access the pedestrian gate at the entrance to the school site.

Absence

While we expect full attendance, we appreciate there may be occasions when students are not able to attend school. In these instances, students or parents should inform the school by texting the Sixth Form Absence number listed below. They should inform the school of each day's absence before 8.30am to avoid being registered incorrectly. If a student texts in, parents will receive a confirmation text at the end of the day.

If for similar reasons, students arrive late they must sign in with the Sixth Form Student Manager and provide the reason for lateness. If a student needs to leave school early and miss a lesson, it is essential they **SIGN OUT** with the Sixth Form Student Manager in the Study Area. Sixth Form students may be asked to provide a note or explanation for their absence, especially if their attendance and/or punctuality have been flagged as an issue. Medical appointments and driving lessons should be scheduled outside of form/lesson times.

Sixth Form Absence Number: Text 07860 025 457 Phone: 01622 759036 Ext 230

Sixth Form Tutor Groups

All students in the Sixth Form will be allocated to a form group and a Sixth Form Tutor.

Students will meet as a form group twice a week and this will be allocated on their timetable for 8.30am every Tuesday and Thursday. Tutors may also organize 1-1 sessions with some students in their form in order to help them through Sixth Form life and also prepare for the future— these will be at the discretion of the Form Tutor and Head of Year.

Most Sixth Form Tutors are experienced Sixth Form Teachers.

The Tutor is responsible for monitoring each student's attitude, attendance and punctuality and they will discuss these issues during Form Times and individual mentoring meetings.

Furthermore, when the time comes to consider career choices or UCAS applications, tutors will support students with this in form time.

Year 12 and 13 students will all attend fortnightly assemblies — these may be more often and are at the Head of Year's discretion. All students are expected to attend all assemblies.

In the case of a fire or fire drill, students will need to line up in alphabetical order on the courts in their form groups.

Study Sessions – 'A Privilege, Not a Right'

Students benefit from additional free time in the Sixth Form where they are not scheduled for a specific lesson. On the whole, these sessions should be viewed as opportunities to be working outside of lesson, in the Sixth Form study area or in the relevant departments around the school.

Towards the end of the first term in October, Sixth Form teachers will produce a report on the academic progress of each student. If this report indicates they are 'on-track' and up-to-date in ALL of their subjects, they will have earned the *privilege* to continue to manage this free time independently.

However, if a student is underachieving in their subjects or if their attendance/work ethic has been flagged as an issue, they will lose some of their free time and will be required to attend formal Supervised Study Sessions in the Sixth Form Study Area until they are back on-track or their attitude/attendance improves.

Dress Code

Sixth Form students at Maplesden do not have a formal uniform and enjoy a more relaxed dress code than students in younger years. Nevertheless, it is still very important that students dress appropriately and while they are **not expected to dress in smart office wear, they must still look 'smart' and well-presented**. The general guidance for Sixth Form dress is that it is comfortable and appropriate in a safe working environment. Sixth Form students should use this guide when choosing what to wear:

- *Footwear should be appropriate for the lesson. Open shoes are not suitable and for health and safety reasons **flip-flops are not allowed. High heeled shoes are not appropriate.***
- *Words or images on clothing should not be offensive or inappropriate. Any clothes with references to bad language, sex or drugs should not be worn.*
- *Facial piercings are allowed in principle but should be discreet and not pose a health risk.*
- ***Extreme hair styles are not permitted.** This includes dying hair to an extreme colour.*
- *Jeans and other denim items may be worn, but these should be smart with no holes, rips or fraying. **No ripped Jeans are allowed.***
- *No leggings or jeggings should be worn without a dress, long top or skirt at a reasonable length.*
- ***Modesty should be considered at all times.** Midriffs should be covered and tops should have an appropriately positioned neckline. Skirts should be of an appropriate length.*
- *In warmer weather tailored shorts or three quarter length trousers may be worn. Shorts that are of a very short length or hot pants are not appropriate. Casual beach/surf /sports shorts are not permitted.*
- ***Students accessing the Soccer Elite Football Academy may wear their Soccer Elite kit in school. This must be full kit only***
- ***Other Sportswear is not appropriate.** Students should not dress in tracksuits, jogging bottoms, sports shorts or football tops. (Students accessing practical sports courses will need to bring a change of clothes).*
- ***Hats or hoods are not to be worn in lessons.***

There will be occasions when Sixth Form students are asked to dress in smart business style dress, such as Open Evenings or the Year 12 Business challenge. Dress on these occasions would include smart shoes and a shirt and tie for boys. Girls should be wearing appropriate business wear.

If Sixth Form students come to school wearing clothes that are inappropriate, they will be **sent home to change**. The Head of Sixth Form and Heads of Year 12/13 will make the final decision on appropriate clothing.

The Sixth Form Area:

Students at Maplesden Sixth Form are fortunate to have a range of facilities including their own study room and dining area. All students are expected to use the facilities sensibly.

Anyone found misusing the Sixth Form area will be subject to disciplinary procedures and risk losing their place in the Sixth Form. In the case of willful destruction/vandalism students will be liable for the cost of repairs.

Study Area

We have a large study area solely used by Sixth Form students. This area is to be used for quiet, independent study outside of timetabled lessons. Eating in this area is strictly prohibited. The area is supervised by the Sixth Form Academic Manager. Any student misusing this area will be asked to leave and their privileges reviewed.

The Forum

The Forum is the Sixth Form dining area. Students can purchase food, snacks and drinks in the Forum in addition to the main school restaurant. Purchases can be paid for by cash, card or by using the school biometric payment system via Wisepay. We expect all students to clear up after themselves and keep this area clean and tidy.

Holidays

Students should not be taking holidays during term time and this practice is strongly discouraged. This also applies to students in Year 12 during the Summer Term when students will be starting the Business Challenge (End of June-mid July).

Committee

Each year the Sixth Form has a committee of students who have an input on the day-to-day running of Sixth Form, as well as organizing events and activities. Representing your Sixth Form as a member of the Committee in any position is a real privilege and is certainly something employers, universities and colleges value in a CV/Personal Statement.

The School and Sixth Form will be represented by two Head Students; a team of Social Chairs and Committee members, all from Year 13. Committee students must be exemplary Sixth Form students both in and out of school.

Typical tasks that a Year 13 Committee may be involved in are: Public speaking at functions and Open Evenings, greeting visitors, parents and prospective students, giving visitors a tour of the school, contributing to the School Newsletter, attending the school's Student Council meetings and organizing the Sixth Form Prom. Sixth Form students and committee members also lead a range of charity fundraising events and activities.

Monitoring / Reports

We regularly track progress across all subjects and students/parents will be provided with reports over the course of the academic year. Tutors will discuss issues raised from the reports and students may be given subject specific Action Plans or Contracts if they are underachieving. We will also allocate Supervised Study sessions to students if we feel they need directed study sessions in order to complete missed or incomplete work.

Enrichment

As well as a range of enrichment tasks, discussions and activities, Year 12 students will also be involved in a project called 'The Business Challenge'. This has been a highly successful project over the years and allows students to get a real insight into the world of work, engaging in real-life scenarios and competing to win significant cash prizes. Students can also choose to complete the Extended Project which is an invaluable qualification, highly regarded by Universities and adding UCAS points to students for future applications/employment.

Sixth Form students organize various charity events and volunteering opportunities to further offer the chance of enrichment in the Sixth Form.

Changing /Dropping Subjects

During the first two weeks of Year 12, students can make a request to their Head of Year to make changes to their options, however, this should be discouraged. It will be expected that students have spoken to the subject teacher and their parents about any problems before requesting a change. After the first three weeks of term, requests to drop or change subjects will not be considered. The only exception to this is if a student is accessing four subjects and chooses to drop down to three subjects. This can be done at any time during Year 12 or at the beginning of Year 13.

Exams

Entries for exams are dependent on the students meeting course criteria. Any student who has failed to meet coursework deadlines, or is behind with work, may have their exam entry withdrawn. Equally, if attendance is unsatisfactory, students may be withdrawn and/or will be expected to pay for their exam entries. GCSE re-sits in Maths and English for students not achieving a Grade 4 or above will be funded by the school. All other re-sits will need to be financed by the student/parent.

Progression

Progression from Year 12 into Year 13 is not automatic. Students who are not achieving above a pass grade in mock results or coursework grades by the end of Year 12 may not be accepted on to the Year 13 course. Likewise, if a student's attendance has remained a concern over the course of the year, they will not be offered a Year 13 place. However, there may be exceptional circumstances affecting performance/attendance and we will consider each case individually.

Students wishing to complete a further year at Sixth Form (Year 14) must apply to the Head of Year 13 and have an interview before they complete Year 13.

Sixth Form Text Service

To help us communicate with Sixth Form students effectively we use a text service. Students must ensure the Sixth Form Administrator has their most up to date mobile number.

Disciplinary Measures

Sixth Form students continue to maintain exemplary behaviour and this must continue to be the case. However, there may be occasions when personal conduct or behaviour needs to be challenged. In these instances parents will be contacted. At times, pupils may enter into a period where they will be monitored by a HOY to ensure behaviour expectations are met. In serious cases, students may be required to enter a formal contractual agreement or asked to leave the Sixth Form. If a contract is issued and then is subsequently broken, this is taken as an indication the student no longer wishes to be a member of Maplesden Sixth Form and they will lose their place in the Sixth Form.

Parent Consultation Evenings

Just like students in other year groups, it is very important that Sixth Form students and parents make every effort to attend Parents Evenings which are usually held in November for Year 12 and January for Year 13. These evenings provide the perfect opportunity to review each student's progress and identify any issues or problems that may be a barrier to them achieving their potential.

Parking / Smoking

Unfortunately there are **no parking facilities** available to Sixth Form students on the school site. Maplesden is also a non-smoking site. Sixth Form students must not smoke on site or anywhere near the school gate.

Part-Time Work / Driving Lessons and Other Commitments

For a number of valid reasons, students may choose to obtain Part-Time work while attending Sixth Form. This does not normally cause problems, however if a student takes on too much part-time work (perhaps due to pressure from their employer) this can have a significant, negative impact on a student's progress and enjoyment at Sixth Form. For this reason, we recommend students do not take on more than 12 hours of part-time work a week.

Students should not be taking driving lessons during lesson time.

Careers and Guidance

Maplesden has a full time Careers and Higher Education Officer, Mrs Mills. Sixth Form students can drop in for quick questions or book an appointment via the Sixth Form Administrator. Throughout Years 12 and 13 a range of sessions are organised to support students and parents on Post-18 options as well as logins for Unifrog (an online opportunities system) UCAS and Student Finance for college/university entry. Any Year 13 student can choose to book an individual careers guidance interview to help with progression plans.

The Sixth Form Team

Deputy Headteacher and Head of Sixth Form: Mr Tom Newcombe

Head of Year 13 and Sixth Form Student Manager: Mrs Beth Griffin

Head of Year 12: Mr Stewart Wade

Sixth Form Administrator: Mrs Lorna Tansill

School Address: Buckland Road, Great Buckland, Maidstone, Kent, ME16 0TJ

Sixth Form Number: 01622 656297

Sixth Form Absence Number: 07860 025 457 (text only)

School Reception Telephone Number: 01622 759036

School Email: sixthform@maplesden.kent.sch.uk
